ANIMAL WELFARE ACTNO 19 2008- FIVE FREEDOMS

- ▶ Freedom from hunger and thirst
- ▶ Freedom from discomfort
- ▶ Freedom from pain, injury and diseases
- ▶ Freedom to express normal behaviour
- ▶ Freedom from fear and distress

GENERAL CARE OF YOUR ANIMAL

- ❖ Do not lock your dog in a kennel. It must have freedom to go in and out.
- ❖ A kennel should just be a shelter from the sun and rain.
- ❖ Make sure your dog has access to fresh water all day to prevent dehydration.
- ❖ Give your dog meat, he is a carnivore. You can mix this with rice, eggs and maize meal.
- ❖ Do NOT beat your dog. He is your friend. If you beat him he will NOT protect you.
- ❖ A friendly, happy dog will protect you.
- ❖ Socialise and play with your dog.
- ❖ Do not give your dog small bones. They can catch in its throat.
- ❖ Vaccinate your dog, especially against Rabies. A yearly booster is required.
- ❖ De-worm your dog every three months.
- ❖ Exercise your dog. Take it for a walk on a lead every day. Exercise is good for you too!!
- ❖ You need to brush your dog daily and wash every other week
